## 美化推進重点地区

Starting April 2021, the area around the Kasama Exit of Ofuna Station will be designated as an area where beautification will be emphasized.

美化推進重点地区は空き缶や吸い殻などの散乱を防止し、清潔できれいな街を つくることが特に必要と認められる地区として条例に基づき指定した区域です。 Areas designated for emphasized beautification are those where it is deemed particularly important to prevent littering of empty cans, cigarette butts, and other garbage, sidewalk cleaning and awareness activities are actively carried out.
